## MUSEO® MAX™

### ARCHIVAL FINE ART PAPER FOR DIGITAL PRINTING

Looking for a fine art paper that will produce bright vivid colors with subtle shadow details and last for generations? Tired of trying to push your printer to achieve the results you've been looking for? Look no further, revolutionary Museo Max is here .

Brought to you by America's premier digital media manufacturer, Museo Fine Art, Museo Max sets the standard by which all past and future fine art papers will be judged. Combining the know how from the world's leading cotton paper research organization with breakthrough coating technology and the finest ingredients results in a paper that is sure to wow your clients. With a color gamut larger than any other fine art paper on the market today, you'll get huge reds, vibrant blues, and explosive greens. If black and white printing is your specialty, be sure to try Museo Max for Dmax and fine detail unlike any other rag paper, import or domestic.

Crafted to archival standards in the cultural hub of the east, The Berkshires, Museo Max will let you achieve Maximum density, Maximum gamut, and maximum tonal range.
